### SOUTH WEST GAUTENG TVET COLLEGE STATEMENT OF FAKE SOCIAL MEDIA PAGES

The South West Gauteng TVET College notes with greatest concern the continued existence of fraudulent and deceptive Facebook pages impersonating the College.

The operators of these Facebook pages deceive the public into believing that they are working with the College by requesting money from prospective students in order to assist them with "Application/ Registration." They have also been spreading fake information that has not been authorized by the college.

The College condemns such acts in the strongest terms and is in the process of contacting Facebook to locate and close these bogus Facebook pages.

The college wishes to state unequivocally that the following are the ONLY legitimate social media profiles that have been authorized by the college:

<https://twitter.com/swgcollege/>

[@SWGCollege](https://twitter.com/SWGC) / X (twitter.com)

<https://www.facebook.com/swgcollege/> (3) Facebook

<https://www.linkedin.com/company/south-west-gauteng-college/>

All other social media pages bearing the college name are fake and false.

Furthermore, the college website page that should be regarded as authentic is [www.swgc.co.za](http://www.swgc.co.za) as it will always contain the latest updated information
